Learn

Scratch your creative itch and learn some of the technical background of media production. WHCA has volunteer and training opportunities, plus internships available in areas such as:

- Videography and field production
- Studio and control room production interview techniques
- Video editing with Final Cut Pro X
- Computer software training including PowerPoint Adobe Photoshop

WHCA users can also enjoy unlimited access to thousands of training videos and tutorials at lynda.com

Create

WHCA staff and volunteer are everywhere around town from the WHCA studio to downtown Whitman or the Hanson Town Hall, they're always busy capturing and sharing the great things that make Whitman and Hanson such great places to live work and play.

Promote

The WHCA community bulletin board is a great place to start in promoting upcoming community events there's also short profile and promotional videos that can be made very easily

Share

The WHCA staff and volunteers love to share their adventures and activities on social media. Look them up on Facebook Instagram Twitter and YouTube for the latest news
