

WHCA INTERNSHIPS

Community Media Internships Teach:

- Photography & Video
- Field Production
- Digital Video Editing
- Graphic Design
- Outreach & Marketing
- And More!

WHCA is now accepting applications for individuals who want hands on experience in a dynamic community media center. Join WHCA in accomplishing its mission to inform, enlighten, and entertain cable subscribers in Whitman and Hanson. WHCA's internship program offers a well-rounded experience for currently enrolled students and aims to continue building on the individual's skills by letting them earn first hand, real world experience in the television production field.
